

Florida Postsecondary Comprehensive Transition Programs (FPCTP): Grant Funding Cycle

The following chart lays out the schedule for FPCTP start-up and enhancement grant submission, implementation, and reporting timelines. Grant proposals are accepted on a continuing basis during the fiscal year as long as funding remains available. FPCTP grants are provided to either start new or expand or enhance existing Florida Postsecondary Comprehensive Transition Programs.

The purpose of a **FPCTP Start-Up Grant** is to facilitate development and initial implementation of an approved but not yet realized FPCTP. That is, the intent of this funding is to spur development of additional postsecondary education programs across Florida. Thus the Start-Up Grants will provide resources to institutions to implement the program described and approved in their FPCTP application. **In this case, the FPCTP application may be submitted either prior to or at the same time as the Start-up Grant proposal. Final grant approval will not be provided until the FPCTP is approved.**

The purpose of an **FPCTP Enhancement Grant** is to facilitate implementation of planned improvements and or expansion of an existing FPCTP already serving students with intellectual disabilities. The Enhancement Grant may be used to expand the capacity or quality of an already approved FPCTP. Thus the Enhancement Grant funds will provide resources to an institution that has an already approved FPCTP and wants to either expand the program offerings and or services, or increase the number of students it serves. **In this case, the FPCTP application has been approved previously.**

The timelines identified here are general targets and assume that proposals meet the established criteria outlined in the Grant Proposal Instructions and few, if any, revisions are required. Final grant approvals will not be provided until the FPCTP application is approved.
