MEET the MENTORS

"Hi! My name is Anais. I am a Junior from Orlando, FL, studying Exceptional Student Education here at Southeastern University. Some of my favorite hobbies are spending time with my family and friends, worshipping Jesus, and helping those around me in any way I can! This is my second year being a Link mentor and it has been one of the biggest blessings in my life. Being a Link mentor is beyond rewarding; it's life-changing. I get the privilege to witness the mentees grow as individuals and into the young adults that the Lord created them to be. It brings my heart great joy to serve and love on the Link students."
