

## College and Career Transition Clubs

### First Annual Meeting

June 25 – 26, 2019

Embassy Suites – Orlando North, 225 Shorecrest Drive, Altamonte Springs, FL 32701

- Why** To increase awareness of Florida Postsecondary Comprehensive Transition Program (FPCTP) opportunities and help students with intellectual disabilities prepare for and access those opportunities across Florida, the Florida Center for Students with Unique Abilities (FCSUA) at UCF is partnering with secondary educators to develop and implement *Florida College and Career Transition Clubs* (CCT Clubs) at local schools serving high school students. **To date, we have established 50 CCT Clubs across Florida!** The First Annual CCT Club Meeting will celebrate their accomplishments and recognize their student outcomes, while providing student representatives an opportunity to learn more about FPCTPs.
- Who** We invite **2 student representatives and their club sponsor from 25 CCT Clubs** to attend this First Annual CCT Club Meeting. The first 25 Clubs to register will be included (see the link below). One of the student representatives must be a student with an intellectual disability.
- What** This First Annual CCT Club Meeting will include the following (see the draft agenda):
- ▶ Displays from each participating Club regarding their activities and accomplishments
  - ▶ PowerPoint presentations from selected Clubs, presented by their students
  - ▶ A reception through which to network with other CCT Club members and sponsors
  - ▶ Participatory sessions on developing and using advocacy skills.
- Representatives from various postsecondary education institutions will also participate and provide information regarding postsecondary education options around the State.
- Cost** There is **no registration fee** for this event. The FCSUA will cover the hotel room for 2 student representatives and a club sponsor from the first 25 CCT Clubs that register, as well as provide several meals (see the draft agenda). Clubs are responsible for other travel costs, such as mileage and meals not provided, but may use funds from their approved Club budget as available, to cover these expenses.

FCSUA will book the hotel rooms based on the registration information. One of the student members must be a student with an intellectual disability. ***The registration deadline is May 31, 2019!***
